

# “CONFESSIONS OF A SPA BUNNY”

## Spa Concierge Services for Father’s Day

### THE SPA BUNNY CHALLENGE!

I’m challenging all the women who love these hardworking dads (i.e., fathers, husbands, brothers, uncles, etc.) to treat them to a day of pampering and relaxation.

When constantly managing life’s daily responsibilities, we know it gets hard for him to take the time to wind down and take care of himself the way he should.

As strong as they appear on the surface, these guys hold just as much tension and stress as the rest of us.

### Let the Spa Bunny be your Spa Buddy this Father’s Day!

Sometimes organizing the perfect outing can be overwhelming, especially when the rest of the world is doing the same thing, for the same occasion. Utilizing my spa networks and resources, let me customize and design a unique spa experience tailored just for your special guy. Based on individual preferences, I can incorporate his favorite things such as fitness, massage, pedicure, etc., into a personalized spa package.

### The Experience

*“He steps outside, a ride awaits - on this day he can sit down, close his eyes, and cruise in the passenger seat to soothing tunes as he’s whisked away to a destination unknown, leaving all worry and stress at the front door from which he left. At least for a day. He deserves it! Doesn’t he?”*

### Confessions of a Spa Bunny Insights

Based on my expertise, I’ll identify the best location and services, teach Dad how to get the most out of his spa experience, give tips on how to naturally De-stress at home, and serve as his personal concierge during the outing.
